

Signature Townhouse
Hyde Park Hotel
CARE PROTOCOL

Signature Townhouse Hyde Park Hotel takes great pride in the fact that we have always kept our guest's and staffs welfare as our number one priority. Coronavirus will only enhance the essence and we will make sure that our team members and all our guests are safe and protected with us.

Our Health and Safety Team has been working extra hard to ensure that we adhere to all the guidelines provided by the Council, NHS and the government. In order to maintain the same standards in all our hotels, we would like to introduce our Hygiene Agenda Liaising Officer, aka H.A.L.O. i.e. our revolving protocol –

Policies - H.A.L.O. will design the policies that will meet the government guidelines and which will ensure our staff and guests safety.

Training - H.A.L.O. will train the team with the updated policies that will meet the government guidelines and which will ensure our staff and guests safety.

Implementing - H.A.L.O. will ensure that the policies are implemented in all our hotels to ensure our staff and guests safety.

Policies

- Availability - Our hotel will have one H.A.L.O. available at all times to answer any of our guest's question.
- High Touch Areas – All the Highly used areas, such as, door handles, key cards, in-room phones, remotes, hand rails, elevator buttons, switches will be thoroughly and frequently sanitised.
- Hospital Level Care – We will use hospital graded equipment's to sanitise the room after every departure to ensure the safety of our guests.
